REMARKS/ARGUMENTS

Claims 1-33 are pending in the application. Each of these claims has been cancelled and the application has been amended to add new Claims 33-64 as set forth above. A substitute specification is submitted herewith responsive to the examiner's comments in the Office Action. The amendment to the specification is set forth as marked above for entry, as required under 37 C.F.R. §1.125. A clean copy for ease of examination is enclosed herewith. Applicant submits that no new matter has been added to the application as a result of either the substitute specification or the added claims.

Priority

The Examiner has stated that Applicant has not complied with one or more conditions for receiving the benefit of an earlier filing date under 35 U.S.C. §119(e). Applicant respectfully submits that the substitute specification amends the application so that it complies with these conditions. Reconsideration is respectfully requested.

Oath/Declaration

The Examiner has stated that the declaration on file is defective because it is incomplete, and that a new oath or declaration is required. A new Declaration in compliance with 37 C.F.R. §1.67(a) identifying this application as required is submitted herewith. Reconsideration is respectfully requested.

Drawings

The Examiner has objected to the drawings under 37 C.F.R. §1.83 for their failure to illustrate the claimed invention in a clear and understandable manner. Corrected drawings replacing the original drawings in their entirety are submitted herewith. The corrected drawings
